THE Fall MRC

MEETING

Will be held

Saturday

October 28, 2017

at

Chanhassen Library
7711 Kerner Blvd
Chanhassen MN 55317

Registration 12:30
Call to order 1:00PM

If you have questions regarding your repeater coordination or membership please email or ask before the meeting date!

It is important that if your not going to attend the meeting to proxy your vote to someone who can attend. This can be another club member or any licensed amateur, it does not have to be a MRC member.

Chairman's corner

Another year, another Repeater Directory change. This time, the news is that the ARRL has completely terminated its agreement with the coordinators to reimburse us for including listings in the Repeater Directory. They have left it up to us to negotiate with RFinder.

Vice Chairman Ben Franske, KØBEN, is leading a committee to decide under what terms we will publish our data in the RFinder database and directory. As things stand now, unless the membership decides something different, we will not provide RFinder our data at all. Ben's committee is tasked to make recommendations on what to provide and how the data is to be managed, and report at the fall meeting.

The entire RFinder saga has been a nuisance for all concerned. I believe that, while the League needed to make a change - the Repeater Directory has gone from being a cash cow to a major financial drain - they did it in less than a good manner. That's water under the bridge now; the decisions have been made, and the League seems to have washed its hands of the whole thing.

Over the past several years, there have been some decisions the League has made that show their lack of understanding of the coordination community and VHF/UHF-FM in general.

Continued from Page 1

The recent announcement that Kent Olson, KA0LDG, is retiring as Director at the end of his term got me to thinking: if I think the League should do things differently, isn't it my job to pitch in and help?

I'm running for election to the post of Vice Director for the Dakota Division because I think it is. I've spent a fair amount of time and effort on telling the League how I think it should be run, so it's time to put my money where my mouth is, so to speak.

The election will run through November 17, after our fall meeting. Should someone else be elected as Vice Director, it is my intention to continue to serve as the MRC Chairman, if the members wish me to. Should I be elected to both positions, I will resign as MRC Chairman so I can serve properly as Vice Director.

I hope to see you in Chanhassen.

Till then,

73...Jay

Secretary, Treasurers & Coordinators Notes

Coordination activity has been routine with no major challenges. UHF pairs in the metro are slowly filling up with digital, as such we need to work on getting a narrowband plan in place with the option for current repeaters to shift frequencies to allow for additional systems.

No contribution has been made to ARRL spectrum defense fund due to changes with the repeater directory.

At the August Wisconsin Association of Repeater meeting they proposed seeking additional volunteers to assist Dave Karr with the coordination process. This should help with cross boarder coordination issues. They are making other organizational changes to bylaws along with streamlining there organization.

Approximately 183 update forms were mailed the last week of August, currently 62 have been returned as complete. 4 Have been returned by the post office as undeliverable.

At the fall meeting we will hold elections for officers, I will continue to serve if elected.
